Alexandria Gazette

WEDNESDAY EVENING, DEC'R. 18.

Where is Your Boy to-Aight? Life is teeming with evil scares, The gates of sin are wide, The rosy fingers of pleasure wave And beeken the young inside, Man of the world, with open purse Seeking your own delight, Pause, ere reason is wholly gone-Where is your boy to night?

Sireus are sieging on every hand, Luring the ear of youth. Gilded falsehood with silver notes Drowneth the voice of Truth. Daioty lady, in costly robes, Your parlors gleam with light, Ease and beauty your senses steep-

Where is your boy to-night? Tempting whispers of royal spoil Fiatter the youthful scul Engerly entering into life,

Restive of all control. Needs are many, and duties stern Crowd on the weary sight, Father, buried in business cares, Where is your boy to-night?

Pitfalls lurk in the flowery ways, Vice bath a golden gate, Who shall guide the unwary feet Into the highway straight? Patient worker, with willing hand Keeping the home hearth bright, Tired mother, with the tender eyes, Where is your boy to night?

Tura his feet from the evil paths Ere they have entered in, Keep him unspotted while yet you may, Eirth is so stained with tio. Ere he has learned to follow wrong. Teach bim to love the right, Watch, ere watching is wholly vaic-Where is your boy to night?

ESTABLISHED 1800.

Alexandria Gazette Taylor & Hufty,

OPE OF THE OLDEST AND REST ESTABLISHED PAPERS IN THE COUNTRY. THE ONLY DAILY PAPER IN NORTH-

ERN VIRGINIA. CIRCULATION STEADILY INCREAS-ING-ONE OF THE BEST ADVER-TISING MEDIUMS IN THE STATE.

ALEXANDRIA GAZETTE FOR 1819.

The Alexandria Gazette begins January 1 its eightieth annual volume, a newspaper that has won its long life by "the survival of the fittest" amid hundreds of journals that have been its cotemporaries from time to time during the four score years that its columns have shewn "the

age and body of the times." The Gazette aims to be a journal of high character-early in the receipt of news and prompt in giving to its readers the latest advices, foreign and domestic.

Its policy is to do justice without fear, favor or affection; to give honest judgments of public measures and public men; but to trench on the sacred privacy of no man's hearthstone. It expects to render faithful service to the city, he state and the country by a candid criticism

of men and events in the interest of the people of the Commonwealth of Virginia. With the coming year all the long tried and improved methods of making a standard newspaper will be continued with such additional facilities as past experience justifies the proprietor in believing will add to the capacity of the

Gazette to serve its readers. The news of the National Capital will be carefully looked after. The year 1879 will see the control of both branches of Congress returned to the Democratic Conservative party, and this section of the country, so unjustly dealt with for many years, may look to see fairer measures inaugurated. Since the seat of the Federal government was established in Washington the Gezette has never been without a full representation in the corps of correspondents there, and especial pains will be taken this year that everything of interest, especially such matters as have a special reference to Virginia, shall be promptly and fully reported. The proceedings of the Legislative, Executive or Judicial Departments of the Government will find their earliest record

in the columns of the Gazette. Its Richmond correspondence will be unusually attractive-full in everything that concorns our local interests, faithful in all things, trouchant and graphic.

The record of events in the State of Virginia will be fully kept up, but to the intelligence of that section of the Commonwealth which nature has bound to Alexandria by the curvature of its mountains or the courses of its rivers, as well as that portion linked to us by the iron bands of railways, the Gazette will be especially and assiduously devoted.

The Business and Commercial columns of the Gazette will be filled with the earliest and most exact commercial news, edited with such painstaking care as will render an error, where even slight errors are dangerous, impossible.

The Cattle Markets of all the leading points of the world whose rates affect this market will be quoted, and regular statements of the Baltimore. Georgetown, Washington and Alexandria sales of cattle will appear.

The Fleur, Grain and Produce movements will be noted daily, and the sales of the Alexanoring markets given with accuracy and dispatch. The Grocery and other markets will receive constant attention, and the money or stock markets of the country epito. mized for its columns, full details being given as to all stocks, &c., which find investors in this section of the country.

To advertise in the Gazette means additional trade. This, experience has proved.

MEDICINAL.

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigestion, Constipation, Headache, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MER-RELL'S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few dozes upon yellow complexion or a brown, dirty locking akin, will astonish all who try it—they being the first symptoms to disappear. The cure of all billious diseases and Liver complaint is made certain by taking Hepatine in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is from the Liver can exist if a fair trial is given. Take no pills when you can get Hepatine at the same price. For sale by all Druggists. PRICE 25c and \$1.

The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one third of all death's victims, arises from the Opium or Morphine treatment, which simply stupefies as the work of death goes on. \$10,000 will be paid if Opium or Morphine or any preparation of Opium, Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup, which has cured neonle who are living to-day with one cured people who are living to day with one remaining lung. No greater wrong can be done than to say than Consumption is incurable. The GLOBE FLOWER COUGE SYRUP will cure it when all other means have failed. Also Colds, Coughs, Asthma, Bronchitis and all diseases of the throat and lungs. Read the testimonials of the Hon. Alex. H. Stephens and others in our bookfree to all at the drug stores. Take no Troches or Lozenges for Sore Throat, when you can get Globe Flower Syrup at same price. For sale by all Druggists. PARCE 25c and \$1.

Grave mistakes are made in the treatment of all diseases that arise from poison in the

of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease in a thousand is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. Doctor PEMBERTON'S STILLINGIA or QUEEN'S DELIGHT is the only medicing upon which a hope of recovonly medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. \$10,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and harmless can be found in it.
